Outstanding Items from last year	<p>-Jenaya brings forward a number of items that were started/suggested last year but left incomplete; asks committee members about which items are still of interest</p> <p>1. Item recommended to go forward: -last year, OLSAC out a questionnaire to all OISE students -Latifah will bring results from the GSA survey conducted last year to our next meeting</p> <p>2. Item recommended to go forward: -improving communication between departments and OISE Library, and improving communication btwn OISE Library and student body in general -last year, a Facebook page was developed, committee thought about developing more of a social media campaign -last year, committee proposed an OISE Library poster campaign: a possible way to get information out to students -better outreach and access to services to international students during orientation week (problem with doing something during orientation is that the committee doesn't meet in the summer; but maybe can make a plan for outreach in the spring to be carried through to the beginning of the following school year)</p> <p>3. tem recommended to go forward: -special projects to continue to investigate: readings lists, book clubs, theory guides, educational maker space in OISE Library</p> <p>-Tong: suggests making an orientation video to provide a tour of OISE Library -Nailisa says there is a virtual tour centered on the Robart's Library that can be shared on the OISE Library website, with points that would be applicable to the OISE Library -can be found by googling "Robart's Audio Tours" -Jenaya suggests might be good to include this on OLSAC Facebook page</p> <p><u>For further consideration:</u> OLSAC Facebook page: -still not sure how to describe the Facebook page for users -all members from last year are administrators -still have to establish a protocol for how and when to respond to questions/comments -ask Latifah to talk about Facebook page at next meeting</p> <p>Tika: -shares that he was unaware about the services in the OISE Library -this is a question of making sure students have the right information about the library when they start their degrees at OISE -asks about the possibility of organizing OISE Library tours for incoming students</p> <p>Nailisa: -suggests that orientations could include Librarian talks</p> <p>Kate: -suggests the possibility of producing an OISE Library orientation package to be sent</p>

	<p>to students at/before OISE Orientation</p> <p>Cindy: -asks about the possibility of librarians visiting classes to talk about where certain resources are in the Library -asks how can the OISE Library carry more course materials, and materials on course syllabi</p> <p>Nailisa and Jenaya: -OISE Library always contacts all professors prior to the beginning of the school year in order to know what is on syllabi and what needs to be purchased</p> <p>Joanne: -wonders if it's possible to roll out a generic message on Quercus out to all OISE students about how to contact Librarians for assistance -Jenaya and Nailisa will look into this and see if it's possible to add a generic message on Quercus for all students</p> <p>Cindy: -wonder if there is there a way to make a list of books that help international students to improve their English and send this list of readings out to students once they enrol in order to prepare them for the beginning of the school year</p> <p>Tong: -wonders if OISE Library might need a better social media platform to communicate with international students -suggests WeChat as a good way to disseminate information with Chinese students- -information can be translated into Chinese for Chinese international students -says that lots of international (specifically Chinese) students use WeChat (instead of email or Facebook)</p>
Election of the Chair	<p>-Jenaya discusses the Chair position: -elected for one term (2019-2020 academic year) -will put out a call for self nominations and then send out an online vote to all committee members -role of the Chair is to: work with Jenaya, Nailisa; put together an agenda for each meeting; provide land acknowledgement at beginning of each meeting; organize and lead each meeting; ensure follow-through on action items; draw up final report based on committee meeting minutes over the year and submit to committee</p>
Adjourn.	Next meeting TBD.
